# Welcome

On behalf of all the young people and adults of our Scout Group, I would like to thank you for the interest you have shown in volunteering with us.

Scouts is the most successful youth movement in the world, with a rich history, achieved thanks to volunteers who give up some of their precious time. Adults in Scouting have accepted the challenge of helping young people grow, and develop socially, spiritually, intellectually, and physically - but it's more than that, as an adult in Scouting you can:

- give something back to the community
- support the Leaders
- spend more quality time with your child
- enjoy and rediscover adventure for yourself
- be an enabler, so the Leaders can do more
- develop your own skills

There are many ways as an adult you can help in Scouting, just some of the various roles can be seen below, and specifically the roles within our Group are:

- Section Team Member
- Section Team Leader
- Group Leadership Team Member
- Group Trustee
- Group Chair
- Group Treasurer
- Group Lead Volunteer

Information about some of these roles appears in this pack, but if you would like to know more you can check out the details on the Scout Association website – [www.scouts.org.uk](http://www.scouts.org.uk)

I hope you enjoy reading the rest of this introduction into Scouting and our Scout Group, and I urge you to ask as many questions as you need.

Thank you again for volunteering.

# About us

## Overview of Scouting

We are the UK's biggest mixed youth organisation. We change lives by offering 4-to-25-year-olds fun and challenging activities, unique experiences, everyday adventure, and the chance to help others so that we make a positive impact in communities.

Scouts helps children and young adults reach their full potential. Our members gain valuable skills for life including teamwork, time management, leadership, initiative, planning, communication, self-motivation, cultural awareness, and commitment. We help young people to get jobs, save lives and even change the world.

## What do Scouts do?

Scouts take part in a wide range of activities as diverse as kayaking, abseiling, expeditions, photography, climbing and zorbing. There's something for everyone. It's a great way to have fun, make friends, get outdoors, express your creativity and experience the wider world.

## What do volunteers do?

This everyday adventure is only possible thanks to our team of adult volunteers, who support Scouts in a wide range of roles from working directly with young people, to helping manage a local community-based Group, to being a charity Trustee. We aim to help volunteers get the most out of their experiences at Scouts by providing opportunities for adventure, training, fun and friendship.

Our learning scheme for volunteers means that adults get as much from Scouts as young people. Our approach focuses on what you want to get out of volunteering with Scouts, while respecting how much time you can offer. Over 90% of Scout volunteers say that their skills and experiences have been useful in their work or personal life.

## Key facts and figures

The Scout Association is a UK charity founded in 1907 and now boasts a membership of over 620,000 young people and adult leaders. We are the largest mixed youth movement in the UK. Scouting activity is delivered through 7,000-plus community-based Scout Groups nationwide.

Scouting is widely recognised and is one of the most trusted charities in the UK, giving it a significant level of influence and responsibility. Scouting's greatest strength lies in its grass roots. It is locally that Scouting is best able to identify and work directly with young people most in need.

We believe that through the everyday adventure of Scouting, young people and adult volunteers regularly experience new challenges that enrich and change their lives. The current focus for the Trustees and those in Scouting in the UK is delivering our strategic vision.

# The Scouting Structure

The 1<sup>st</sup> Daviot Oldmeldrum Scout Group is the collective name given to the body of our three Sections – Beavers, Cubs and Scouts. Each Section is led by a Section Team Leader assisted by Section Team Members. The Scout Group is led by a Group Lead Volunteer and is a registered charity. The body that governs Scouting in the UK is The Scout Association based in Gilwell Park in Essex. In Scotland the governing body is Scouts Scotland based at Fordell Firs in Fife. Scotland is divided into eight regions of

which we are part of the North East Scotland Region. Within these Regions there are several Districts of which our Group (along with 13 others) belong to Gordon District.

Regions and Districts are led by Region or District Lead Volunteers. The head of Scouts Scotland is the Lead Volunteer for Scotland.

Our Explorer Unit is treated slightly differently as legally and administratively, they are not part of our Group. Instead, they are run and administered at District level, however they retain strong links with our Group and for most purposes are regarded as part of our Group.

## Adult Roles in Scouting & the Group

### **Group Lead Volunteer**

The Group Lead Volunteer, amongst a variety of other things is responsible to the District Lead Volunteer for the effective operation of the whole Scout Group. They are responsible for ensuring the Group has a team of 'fit and proper' adults who are well inducted and supported, and that a balanced programme is being delivered to all young people in the Group. A Group Lead Volunteer is responsible for all adults in the Scout Group.

### **Section Team Leader**

The Section Team Leader is responsible for planning and implementing a balanced programme for the Beaver Scout Colony / Cub Scout Pack / Scout Troop, subject to the general supervision of the Group Lead Volunteer and with the assistance of their Section Team Members. Leaders are Members of the Scout Association, are required to wear the appropriate uniform and agree to undertake all the necessary training for their specific role.

### **Section Team Members**

Section Team Members support the Section Team Leader in delivering the balanced programme. This can mean anything from helping to plan and run games or activities or helping to keep records up to date. The responsibilities of a Team Member will depend on their own interests and on what they agree with the Section Team Leader.

### **Group Chair**

The Chair of the Group Trustee Board will manage meetings and will work with the Group Lead Volunteer to ensure the Scout Group operates in accordance with the *Policy, Organisation and Rules* of the Association. The Chair is responsible for members of the Board.

### **Treasurer**

Treasurers assist the Chair in the effective administration of the Scout Group by providing financial support. This could mean setting the annual budget or completing annual accounts. This role is ideal for someone who does not necessarily want to work directly with young people, but who is comfortable working with figures and budgets.

# Learning

The role you have within the Group will determine how much training you will need to complete. When taking up an appointment, as part of your role you may receive training to help you gain the skills that you need. The Scout Association operates a flexible Learning Scheme, which covers all of the knowledge you will need, and takes into account any skills and experience you may already have. Our Group Lead Volunteer will be able to explain the learning scheme and help you decide what learning is appropriate for you.

## Frequently Asked Questions

### **Will I get paid or get expenses?**

The Scout Association is a voluntary organisation, and you will not be paid for your role. However, no adult should feel that cost prohibits them from taking up a role in Scouting, and we are committed to reimbursing out of pocket expenses for all volunteers. Speak to our Group Lead Volunteer to find out how this works and what policies are in place with the Group.

### **Where does religion fit into Scouting?**

The Scout Association does not identify itself with any one religion and is open to all faiths and people who identify as being not part of any religion. Adults in Scouting should aim to encourage the spiritual development of young people in whichever faith they identify themselves with.

### **Who is responsible for administering first aid if there is an accident?**

All trained adults in Scouting should have an up to date first aid certificate of First Response level or equivalent and are responsible for the young people in their care. On a camp or activity one person should be designated first aider. If an incident requires any consultation with or treatment by a doctor, dentist or hospital the Support Centre should be notified, and the District Lead Volunteer. The Incident Report Form (from HQ) has to be filled in by an impartial person. Please make sure all incidents are reported to the Group Lead Volunteer.

## What insurance do I/the young people have?

All Members of The Scout Association have personal accident insurance and legal liability cover whilst on Scouting activities. Current details can be obtained from Unity Insurance on 0345 040 7702 or [www.unityinsuranceservices.co.uk/scout-insurance](http://www.unityinsuranceservices.co.uk/scout-insurance).
